Indian Immunology Society

A. General guidelines for submission of 'Nomination' for IIS-Awards

1. General information:

- a. **Announcement:** This call is for IIS-awards with the announcement for the 51st Annual Conference and General Body Meeting of the Indian Immunology Society (Immunocon-2024).
- b. **Nomination/application:** Only Life members of the Indian Immunology Society excluding the office holders of IIS Executive Committee would be eligible for nomination/application for all Three types of IIS Awards. Self-nomination would also be acceptable.

2. **Procedure/selection:** The applications/nominations on prescribed 'IIS-Award Nomination Form' along with supporting documents to be submitted to the 'Secretariat office' of the IIS, on/before 30th September, 2024 would only be considered. The applications/nominations would be referred to an 'Expert panel of Reviewers' to be constituted by the IIS-EC. For Senior/Mid-career awards, there will be at least Three independent 'Reviewers', who will NOT be members of current IIS-EC. The members of Expert panel would have declared 'No Conflict of Interest'. The applications will be scored independently by each reviewer. The selection of candidate for each award will be made by compilation of scores/recommendations of the Expert reviewers by the Executive Committee of IIS.

3. Guidelines for constitution of Expert Panel of Reviewers:

- i) The Expert panel of Three Reviewers will be elected by the IIS-EC members.
- ii) No EC member from current IIS-EC would be the member of this Expert Panel.
- iii) The members of 'Expert Panel' so elected would be required to send in a 'No Conflict of Interest' declaration along with the acceptance to be a reviewer.
- iv) Each Reviewer will review each application independently and submit his score-sheet directly to the President-IIS.
- v) The President-IIS would in-turn discuss the scores with all EC members and then select one nomination for each of Senior- and Mid-career award for that year.
- vi) President-IIS will then send a **Letter of intimation** to the 'awardee' and invite him/her to the upcoming Immunocon for oration.

Indian Immunology Society

4. Award Categories: There are three IIS award categories:

A) IIS Senior Scientist Oration Award: 1(One)

i) Eligibility:

This is the highest award bestowed by IIS in recognition of a scientist's significant research, education, and service contributions to society. The work must have been done primarily in India. The award will be open to a person in the age group of 50 years or above (as on the last date of submission of nominations), who has been a long-standing member (at least 10 years) of Indian Immunology Society, leader in the field of Immunology, a citizen of India with the significant accomplishments as documented by the track-record of scientific achievements in addition to contribution to Immunology Society. The award would carry a cash prize, a certificate of honor, a medal and travel support. **The nominee should have attended at least Three IIS conferences in last 5 years.** The applicant would provide an official web link (google-scholar link after correction for self-publications only and/or university/institute web link giving details of credentials and a brief note on:

A) Statement of research achievements and Outreach (200 words max).

B) Contributions to teaching and promotion of Immunology (200 words max)

ii) Selection: As described above under Point 2 & 3 of general guidelines (A).

iii) Presentation of the awards:

The selected candidate would be informed and invited through a 'Letter of Invitation' from the President of IIS. The awardee would be required to make an oration of 30 minutes duration in a 'Special session' to be scheduled preferably on the first day of the conference (IMMUNOCON) (generally before lunch) to be chaired/co-chaired by President and Secretary-IIS. Secretary-IIS would read a 'citation' in favor of the awardee giving details of his/her achievements and a stalwart in Immunology/prominent personality/President-IIS would confer the award after the oration.

Indian Immunology Society

B) IIS Mid-Career Scientist Award: 1(One)

i) Eligibility:

The award is to recognize the outstanding contributions of a mid-career scientist between the age group of 35-50 years (as on the last date of submission of nomination for award that year) in basic and applied Immunology research and education. The work must have been done primarily in India. **The nominee should be an IIS life member for at least 5 years and should have attended at least Two IIS conferences in last 5 years.** The award would carry a cash prize, a certificate of honor, a medal and travel support. The applicant/nominee should provide an official web link (google-scholar link after correction for self-publications only or university/institute web link giving details of credentials and a brief note of:

- A) Statement of research achievements and Outreach (200 words max).
- B) Contributions to teaching and promotion of Immunology (200 words max)

ii) Selection: As described above under Point 2 & 3 of general guidelines.

iii) Presentation of the awards:

The President-IIS will invite the Mid-career awardee through a 'Letter of Invitation'. The awardee would be required to make a (25+5 minutes) presentation of his/her work open to question/answers by the audience in a special session to be scheduled preferably on Day-2 of the conference to be chaired/co-chaired by Two Vice-Presidents of IIS to be nominated by the President-IIS. The award will be presented by a Senior Immunologist/dignitary/President-IIS after the oration.

Indian Immunology Society

C) G.P Talwar Young Scientist Awards: 2 (Two)

i) Eligibility:

The award is to recognize outstanding research achievements by young scientists below 35 years of age (as on the last date of submission of nomination for award that year). The applicant/nominee must be actively doing original research in any area of Immunology in India. The nominee should be a life member of IIS for at least 2 years and should have attended at least one IIS meeting in last 5 years. The awards carry a cash prize, a certificate of honor, a medal and travel support.

ii) Application/nomination:

The nomination/application for the GPT Young Scientist Awards should be submitted through the Head of the department or Supervisor (PI) of the candidate. It should include a copy of CV of the candidate, list of papers published (if any) and an abstract of the work to be presented.

iii) Selection:

The EC will short-list up to Eight nominations based on the recommendations of the Expert committee to be nominated by President-IIS. The Joint secretary will invite the short-listed applicants through a 'Letter of Invitation'. The short-listed candidates will be required to make oral presentations of 8 minutes to be followed by 2 minutes of discussion in a special session in the conference to be chaired/co-chaired by Secretary and Jt. Secretary of IIS. The President/EC will nominate Three independent judges (non-EC members) for this session (with No Conflict of Interest), who will evaluate the presentations during the presentation session and score according to the score-sheet provided to them. The final Two GPT Young Scientist Awardees will be selected based on the scores of these nominated Judges.

iv) Award presentation:

The Two GPT awardees will be announced during the 'Valedictory function' of the conference (IMMUNOCON) and the awards will be conferred by the President of IIS or a dignitary.

Indian Immunology Society

B. General guidelines for submission of 'Nomination' for IIS Special Sponsored Awards

1. General information:

- a. **Announcement:** This call is for IIS Special Sponsored awards with the announcement for the 51st Annual Conference and General Body Meeting of the Indian Immunology Society (Immunocon-2024).
- b. **Nomination/application:** These awards are open for nomination/application to all the Immunologists including Life Members of Indian Immunology Society excluding the office holders of IIS Executive Committee. Self-nomination would also be acceptable.

2. **Procedure/selection:** The applications/nominations on prescribed 'IIS-Award Nomination Form' along with supporting documents to be submitted to the 'Secretariat office' of the IIS, on/before 30th September, 2024 would only be considered. The applications/nominations would be referred to an 'Expert panel of Reviewers' to be constituted by the IIS-EC. There will be at least Three independent 'Reviewers', who will NOT be members of current IIS-EC. The members of Expert panel would have declared 'No Conflict of Interest'. The applications will be scored independently by each reviewer. The selection of candidate for each award will be made by the Special Committees constituted by the Sponsors including the IIS President and IIS Secretary on the basis of provided compilation of scores/recommendations of the Expert reviewers endorsed by the Executive Committee of IIS.

3. Guidelines for constitution of Expert Panel of Reviewers:

- i. The Expert panel of Three Reviewers will be elected by the IIS-EC members.
- ii. No EC member from current IIS-EC would be the member of this Expert Panel.
- iii. The members of 'Expert Panel' so elected would be required to send in a 'No Conflict of Interest' declaration along with acceptance to be a reviewer.
- iv. Each Reviewer will review each application independently and submit his score-sheet directly to the President-IIS.
- v. The President-IIS would in-turn discuss the scores with all EC members and then forward the list to the award specific selection committees.
 - (1) 'Polyfeenolix IIS Best Teacher Award Selection Committee' to select one nomination for the Senior- and one nomination for the Mid-career Polyfeenolix IIS Best Teacher award or two nominations from the same category for that year.
 - (2) 'IIS Golden Jubilee Oration Award Selection Committee' to select one nomination.
- vi. President-IIS will then send a **Letter of intimation** to the 'awardee' and invite him/her to the upcoming IMMUNOCON-2024.

Indian Immunology Society
